

Biofund Capital Management LLC, a Siemionow Ventures Portfolio Company, Announces \$3M Line of Credit Facility to Support Rapid Growth of Medicalgorithmics

Miami, Florida June 26th,2024 — Biofund Capital Management LLC, a Siemionow Ventures portfolio company, is pleased to announce the provision of a \$3 million line of credit facility to our portfolio company, Medicalgorithmics, a leading innovator in the cardiac monitoring business. This strategic funding underscores our strong belief in the company's potential and our commitment to supporting its rapid growth.

As insiders, we have witnessed firsthand the significant positive developments within Medicalgorithmics. This new line of credit will empower the company to capitalize on new customer acquisition opportunities and drive accelerated growth in the coming months.

"We are excited about the remarkable progress Medicalgorithmics has achieved," said Dr. Kris Siemionow, MD, PhD, Partner at Biofund Capital Management LLC. "This additional funding will enable the company to continue their impressive trajectory and expand their reach in the cardiac monitoring market."
